DIRECTIONS TO FAST ENGINEERING LTD

Directions from Belfast / M2

1. On the M2 take off at Junction 6 (B95) for Antrim. Following the signs for Antrim you will be on the Greystone Road.
2. Go along this road for approximately 1 mile – looking out for our wind turbine showing above the roof tops on the left hand side of the road.
3. After passing Daewoo on the right and Mivan on the left take the next left turn (opposite Greer's Volvo Garage) into Orchard Way and then take an immediate right turn into our car park. You will see our Wind Turbine.
4. If you come to the round about you have just missed us. Go around the roundabout and come off in the direction of the M2 onto the Greystone Road again and taken the first turning on the right (Orchard Way).

Directions from M1 / International Airport

1. From M1 follow signs for the International Airport
2. At Airport roundabout, take the exit for Antrim – Oldstone Road
3. Continue to the end of this road where there is a low bridge, followed by traffic lights at a 'T' junction.
4. At the traffic lights, turn right onto the Belfast Road
5. Take third left onto Ballycraigy Road and continue to roundabout.
6. Take the third exit off the roundabout onto the Greystone Road in the direction of the M2.
7. Fast Engineering is immediately on your right and has blue and grey fencing (opposite Greer's Volvo garage). Turn right into Orchard Way and immediately right into our car park – you will see our Wind Turbine in the car park.
